- Everyone that goes onto the track receives points.
- Positions 23-24 run at Promoters discretion.
- Any car & driver in attendance when their official starting time for Qualifying has passed and that said race night is later cancelled or postponed will receive 5 show up bonus points.
- If enough cars are deemed present (40 plus) to run a B main in any division, Auto City Speedway may award ½ the points and money that an A-Main would be worth on the same evening to those competitors.
- All cars that show & make a genuine effort, but are unable to compete, due to mechanical failure, practice incidence, or other situations beyond their control, will receive a min. of 10 points.

Note: Hard Charger bonus points have been eliminated
